CHICAGO, IL— GroovJoint LLC has been selected for the third consecutive year to receive the 2024 Best of Chicago Award in the Pipe Fitting Manufacturer category by the Chicago Award Program.

Each year, the Chicago Award Program identifies companies that have achieved exceptional marketing success within their local communities and business categories. These local businesses enhance the positive image of small businesses through their service to customers and the community. Their contributions help make the Chicago area a great place to live, work, and play.

To choose the winners in each category, various sources of information were collected and analyzed. The 2024 Chicago Award Program prioritizes quality over quantity. Winners are determined based on data gathered both internally by the Chicago Award Program and information provided by third parties.
